

HOW CAN WE MAKE NORTH SOMERSET MORE AGE FRIENDLY?

We're coming to WRINGTON on 12 June so if you're 50 or over and live in the Wrington area, come along and let us know:

- What works really well in North Somerset?
- What could be better?
- How we can support what works and fix what doesn't?

We'll collect your views and thoughts and then produce a report which will help to support and inform planning and decision-making across North Somerset.

If you're unable to join us, but still want to contribute to the discussions, contact Nicola at: nuptonconsulting@outlook.com

Date: 12 June 2024
